

# ON-CALL HOUSEHOLD CLEANUP COLLECTION - UNIT COMPLEX BOOKING CONSENT FORM

FORM

## Terms and Conditions

- The unit complex shall be entitled up to the maximum volumetric collection capacity each financial year - 2 x 2m<sup>3</sup> cubic metres per unit (4m<sup>3</sup> in total per unit). In the event that the Contractor is unable to provide the maximum volume entitlement in a single collection day, then the complex shall be entitled to book further collection days as required to provide up to the maximum collection capacity. Strata Managers can contact REMONDIS Harbour Cities to discuss individual collection requirements.
- The unit complex Authorising Officer/Representative will work co-operatively with REMONDIS Harbour Cities to agree on the collection bin number(s), size and collection point(s) at a unit complex where required.
- REMONDIS Harbour Cities will require unobstructed access to the property for the purpose of delivering, placing and collecting approved collection receptacles. For any logistical issues, please contact REMONDIS Harbour Cities direct on 1300 362 360 before completing your booking.
- The Property Owner and or Authorising Officer/Representative shall be responsible to advise occupants of the property of the agreed dates of collection and any logistical requirements, and to distribute the Contractor provided information brochure detailing the service to the property dwellings and occupants.
- The Property Owner and or Authorising Officer/Representative shall not allow any persons or organisations that are not a domestic or residential occupant of a dwelling to utilise the Cleanup services provided. Commercial businesses shall not be permitted to access the service.
- The Property Owner and or Authorising Officer/Representative indemnifies and releases Council and REMONDIS Harbour Cities from any claims, losses or damages resulting from damage to any driveways, pavements and or hard stands caused from heavy rigid vehicles that may be required to access the property to provide the services. The indemnity shall only cover damage created by the weight of the vehicle(s) and its contents being borne on the property's access ways. The indemnity shall not extend to damage caused by the direct collision of the REMONDIS Harbour Cities vehicle with any private property within, or thereabout, the property.
- The Property Owner and or Authorising Officer/Representative shall be fully responsible for the management of, and to cover any costs or expenses associated with, the proper disposal of all non-acceptable materials, excessive materials above the authorised volumetric capacity provided by Council, and materials not contained within the bins provided, that may be presented by the complex residents and not collected by REMONDIS Harbour Cities.
- Any commercial arrangements between REMONDIS Harbour Cities and the Property Owner or Authorising Officer/Representative shall remain commercial arrangements between those parties. At no time shall Council become liable for costs associated with any commercial arrangements made by the Property Owner and/or Authorising Officer/Representative and the REMONDIS Harbour Cities.
